ABOUT UHCA EVENTS

UHCA welcomes riders of all levels, providing eight challenge divisions allowing riders to compete against others riding at a similar level. UHCA Events, fun for the entire family, are a great way to have fun while improving your horsemanship and communication.

UHCA Events challenge both horse and rider to maneuver through a series of obstacles, while demonstrating skill, finesse, horsemanship and speed. A score is given for each obstacle on the course and riders are judged on overall horsemanship. UHCA races are timed events, however time accounts for less than 10% of available points.

All breeds of horses and mules are welcome.

UHCA Events are co-sanctioned with the **Extreme Cowboy Association** and EXCA members can earn world qualifying points.
